ABOUT US

UNDISPUTED Consulting is an estimating & loss evaluation firm specializing in construction and building cost estimating. Our primary objective is to accelerate claims reconciliation for our clients while significantly reducing claims handling costs by minimizing or eliminating unnecessary and redundant time on site.

UNDISPUTEDCONSULTING.COM

UNDISPUTEDCONSULTING.COM

We apply common sense to challenging circumstances and disputes to secure undisputed resolution on our clients' select commercial and high net-worth losses. Our objective is to arm our clients with accurate and verified information quickly, empowering them to make timely decisions. UNDISPUTED Consulting's team of problem-solving building professionals have more than 50 years combined hands-on experience in both the construction and claims management industry.
