

DAVID CAPRITTO

CONSULTANT

DAVID.CAPRITTO@UNDISPUTEDCONSULTING.COM

Prior to joining the ranks of Undisputed Consulting, David Capritto began his career in the construction industry which paved the way for his business degree from Louisiana State University. David was then able to utilize that hands-on experience and excel in the insurance industry resolving complex losses across the country in fast-paced and stressful environments. David has 20+ years of combined construction, adjusting and management experience which has provided an excellent background for his role at Undisputed Consulting.
